Admin

The admin is the central location for managing all aspects of the Document Management System. It is designed to provide administrators with tools and features necessary to such as dashboard, account approval, users, documents, and classifications.

Dashboard

Offers a summary of the system's status, including documents, users, pending documents, approved documents, returned documents, sectors, offices, and processes.

POLYTECHNIC UNIVERSITY OF THE PHILIPPINES

Account Approval

The admin must review and approve user accounts before they gain access to the system or deny requests that do not meet the required criteria.

- Click **Approve** if you want to create an account of the user
- Click **Deny** if you want to deny the account of the user.

The screenshot displays the 'Account Approval' page in the DMS ADMIN system. The left sidebar contains navigation links: Dashboard, Account Approval (selected), Manage Users, Manage Documents, Classification, and Logout. The main content area shows a table with one entry. The 'Approve' and 'Deny' buttons for this entry are circled in red.

Process Owner

Individuals or designated roles responsible for overseeing, managing, and ensuring the successful execution of specific workflows or operations within the organization.

DCRF

The Document Change Request Form is where process owners submit a document by providing the purpose of the change, section, document code, subject, document title, sector, document type, document type, notes, and an attached file.

1. **Fill out** all the details.

The screenshot shows the IQMSO Portal Document Change Request Form (DCRF) interface. The header includes the IQMSO Portal logo, the text 'Documented Information Management System', and user information 'Welcome, Loraine' with a 'Logout' link. The navigation bar contains links for 'DCRF', 'Documented Information', 'Track Document', 'Inbox (0)', and 'History'. The main form area is titled 'Document Change Request Form' and includes the following fields:

- Purpose of Change:** Radio buttons for 'Creation' (selected), 'Revision', and 'Deletion'.
- Section:** A dropdown menu labeled 'Select Section'.
- Document Code:** A text input field labeled 'Enter document code'.
- Subject/Document Title:** A text input field labeled 'Enter document title'.
- Sector:** A dropdown menu labeled 'Sector I'.
- Document Type:** A dropdown menu labeled 'Select Document Type'.
- Notes:** A rich text editor with a toolbar containing various formatting options (bold, italic, underline, text color, background color, bulleted list, numbered list, link, unlink, source) and a 'Normal' style selected.

2. Once all the details are filled, click **Submit** to send the Document Change Request Form.

This screenshot shows the lower portion of the DCRF form. It includes the 'Notes' field (a rich text editor) and the 'Attach File' section, which has a 'Choose Files' button and a 'No file chosen' status. Below these is a red 'Submit' button, which is circled in red. The footer of the page contains the copyright notice 'Copyright © 2023 IQMSO.
